15 For Dept. Use Only	ACTION FE3	DEPT AM/R 021	1-3	OFFICE OF CHINESE AFFAIRS FEB - 6 1957
	REC'D 2/4	OTHER C 1A		

SUBJECT:

Defection of Former KMT Officials (II)

now reports that both HSIEH Tso-min and YU Tso-pai were former members of the "Kwangsi Clique", now in their early 70's. Neither had been employed in Hong Kong in recent years, and they had both lived at the Diamond Hill refugee area. They were not, apparently, active in local politics, and are believed to have wielded no appreciable influence in any quarter locally. They are reported to have entered the mainland late in 1956. No further information has as yet been developed on LO Yi-hsien.
